

Application No. 09/744,641
Reply to Office Action dated March 24, 2004
Supplemental Amendment to Amendment filed on July 26, 2004

REMARKS

Pursuant to a discussion with Examiner Lewis on August 18, 2004, Applicants submit the above supplemental amendment to the claims to correct an obvious typographical error in the chemical formulae in Claims 44, 67-68 and 73-75. No new matter is introduced by way of this amendment. The Remarks and the Declaration in the response filed on July 26, 2004 remain unchanged.

Reconsideration of the application in view of the above amendments and the Remarks filed on July 26, 2004, is therefore respectfully requested.

Examiner Lewis indicated during the telephone conference that no fee is required for the supplemental amendment. However, should any additional fee become due by way of this Amendment, the Director is authorized to charge the additional fee to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,
